Previous Meeting MinutesMs. D. Knauer

- January minutes approved.

Presentation of Mid-Year Data.....Admin

- Reviewed learning objectives and agenda for meeting.
- Reviewed vision, mission, and belief statements. Many beliefs are connected to our school improvement plan.
- PMA help determine small group learning and remediation. Teachers also can request students to attend additional Lunch and Learn sessions. PMA 1 and 2 assess different standards.
- PMA 3 data set shows us where a student truly is.
- ELA 9 PMA #1 62.1% proficient. PMA #2 in the same category shows 60.1% proficiency.
- Grade 10 PMA #1 62.1% and PMA #2 73.3% proficient.
- Algebra 1 PMA #1 33% and PMA 2 at 43% proficient.
 - UNIT zero was implemented to support students who are missing many basic skills.
- Geometry PMA#1 42.6% and PMA 2 43%.
- Biology PMA #1 56.9% and PMA #2 50.2%
- US History PMA #1 50% and 51% on PMA #2.

- This PMA data does not include AP students.
- Comparative Data
 - ELA 9 21-22 school year is now more aligned with 19-20 school year.
 - Algebra 1 has not seen the same rebound as English and other academic categories.
- 21-22 school year achievement gap in English has closed the achievement gap some.
 - Math has not seen the same change in achievement gaps.
 - Teachers are reviewing data of which students need to receive remediation and additional support.
- Area of Focus: Teachers will participate in effective common planning. Core content will engage in standard aligned planning.
 - Evidence of progress is indicated by standards-based walk throughs. Weekly PLCs. Identify teachers who need support for standards-based learning.
 - Equivalent experience assessments occurred through English classes to better align.
- PLC is to show student products to discuss if an assignment is truly connecting with the standard. It is a collaborative practice that we have once a week.
- Build a culture of inclusivity and equity.
 - We have not yet met the goal. Many clubs have been ramped up specifically the Black Student Alliance. The Culture of Climate has been having activities. As well as support from PTSA. This is a stakeholder initiative.
- Student Enrichment Opportunities
 - Student Government
 - DA Ambassadors- recruitment efforts at DA. Off campus into other schools.
 - How many students attended the Middle School recruitment events?
 - Robo calls and proactive communication.
 - School Choice window is restricted to January.
 - Resident News more publications in news for recruitment.
 - Build more news sources than social media.
 - Nurture relationship with Pine Forest Elementary School.

- Mrs. Wilson is building relationships with principals at local art schools.
 - Ideas to bring alumni into workshops and recruitment.
- How do I get involved?
 - PTSA contact information shared.
 - SAC
 - DA volunteers

Old Business:

Extravaganza

- One suggestion would be too many tech theatre students. Maybe a new holding place.

Auditions

- We have a reschedule of makeup auditions. We are currently working on our numbers to find out final numbers. By March 7th families will receive the decision.
 - Band is lower this year. Cinematic Arts has increased significantly.

New Business:

- Theatre teaching vacancy, art director, reading interventionist, and front office clerk.
- South Baptist has started an arts academy to help support. Emma Anderson is running the program.
- Out of field teachers have until June 30th of tasks that need to be completed to Certification Office.
- Graduation requirement concordant scores were reduced for this years seniors. All of our seniors are now ready for graduation in reading. We have five seniors remaining for the math requirement.

March 4th 100 year celebration of 107 Douglas Anderson creation. Must contact Leonard Baker for tables and purchasing tickets.

Announcements:

January 13 – Choreography Dance (7pm)

January 20, 21 – Black Arts (7pm)
