**Principal’s Message ~ Nongongoma Majova-Seane**

Student and Parents!

It is difficult to believe that the first semester has already passed and that we are back from Winter Break and beginning 2019. I hope that you all had a successful 2nd quarter and have been working hard in quarter three. May will come more quickly than you can believe, which will bring State, District, AP, & IB testing, then Graduation and the end of the school year. Make certain that you are managing your time and working hard to insure success in your courses.

We were very excited to have been named as a “2019 Magnet School of Distinction” by the Magnet Schools of America. The school went through a lengthy application process, for which we gave detailed descriptions of Stanton’s curriculum, instruction, diversity, and school vision and mission to name a few. School data was also examined closely. Stanton was one of three schools in Duval County to be recognized.

Our Winter athletic teams have had great seasons thus far and have won many games and tournaments. All teams have been flexible and accommodating as our field have been under construction, upgrading our drainage and track. It is now completely rubberized and Stanton will now have the opportunity to host track meets!! As the Winter Pep Rally the Sophomore class took home the Spirit Stick. The Cheerleading squad made it to the State and National competitions adding to a great year. Athletics at Stanton are truly on the rise and we are very proud and excited to support our student athletes.

Please continue to be aware that the school provides a number of after school labs as well as teacher tutoring in the mornings and afternoons. We want to provide every safety net possible for students to be successful at Stanton. If a student is beginning to struggle or feel overwhelmed, please have them see an administrator or their guidance counselor for support in getting the assistance they need. We are here for every student and their success, so please reach out if you ever need us, or have any questions about our way of work.

Ubuntu!

Mrs. Majova-Seane

Furthermore, I would like to recognize our National Merit Finalists. Stanton College Prep recently had 16 students recognized by the College Board’s National Merit Scholarship Finalists award for their performance on the 2017 PSAT.

**Student recipients:**

- Morgan Anthony
- Courtney Dantzler
- Nicole Kershner
- Kristina Liao
- Priyanka Persieda
- Caroline Rogers
- Aastha Sinha
- Maya Wiley

Congratulations to all!!!

**Ubuntu ~ “I am because We are.”**
State Exams
The required state assessments will begin with FSA Writing for grades 9 and 10 on April 3, 2019. FSA Reading Grades 9 and 10 May 1 and 2, 2019. End of Course Exam for American History and Biology will be administered May 3, 2019. Finally, the End of Course Exam for Geometry will be administered May 20, and May 21, 2019.

School Day SAT
The SAT (Reading and Math-no Writing) will be administered to students in grade 11 Tuesday, April 9, 2019. The School district covered the fee and registered students for this administration.

AP Exams
AP exams will be administered May 6 – May 30, 2019. AP exams are an essential part of the AP experience. Most colleges worldwide recognize AP in the admission process and accept successful exam scores for credit, advance placement, or both. Research shows that students who score a three or higher typically earn higher GPAs in college and have higher graduation rates. All students will take exams for AP courses taken at Stanton or Florida Virtual School (FLVS). Students enrolled or were previously enrolled in an AP class on FLVS need to inform me of exam(s) needed by email or stopping by my office in the media center. Students who miss an exam will pay the fee of $94.00. Students not enrolled in a course who desire to take an exam or retake an exam must pay the fee of $94.00 for each exam. If you have additional information about testing at Stanton, please contact Dr. Hayward at haywardn@duvalschools.org.

We are in need of parent volunteers for the proctoring of IB exams during the May 2019 exam session. More information on the schedule of IB exams and the responsibilities of proctors will be sent out as we approach May. The IB exam session begins on May 7 and ends on May 24.

Juniors and Seniors - Don’t forget to be completing CAS experiences to count towards the completion of your portfolio! As a reminder, Information about the requirements, reflections, and learning objectives can be found on Stanton’s website. Don’t leave it for the last second! All paperwork is due for the senior class on Friday, April 5th, 2019.

Freshman and Sophomores – Now is a great time to work towards the completion of the 100 Bright Futures community service hours. It is suggested that students complete at least 50 hours by the start of their junior year.

Course Scheduling – As we move towards the next school year we will be discussing the course scheduling options with all students. If there are any questions about student’s options throughout the IB program, please reach out to Mr. Nasrallah for more information.

Student Activities ~ Diane Glendenning
The students have been quite busy with extracurricular activities during the second quarter! In support of our athletes, our winter sports pep rally was held. 1600 students, dressed in class colors, also competed for the most spirited award. The prized megaphone went to the Class of 2022! Our spring sports and student-athletes will be celebrated in March. Our annual talent show, Winterfest, was held in December. We had 20 performances ranging from dancers to Chinese Yo-Yo to a magician. This was the first year that we were able to host an evening performance allowing family and off-campus friends to enjoy a fun-filled, talented show. Thirteen lovely 11th grade ladies have begun rehearsals for the upcoming Miss Stanton Pageant. The theme this year is “Laisssez le on temps rouler!” These girls will “let the good times roll” when they take to the stage on February 23rd at 6:00 p.m. Tickets for the event will be presold February 19-22 for $10 and will be sold at the door for $15.
Preparations for the upcoming Multicultural Extravaganza keep the courtyards filled with music from around the world. Seventeen cultural dances will be performed the evenings of March 1 and 2 during our Multicultural Extravaganza. Tickets will go on sale February 25 during both lunches for $10. Stanton’s magnet tours are in full swing. The January and February dates for tours are on our school calendar and begin at 9:30 a.m. There is no need to RSVP. Magnet applications for the 2019-2020 school year are to be completed online and due no later than February 28.
Guidance Updates ~ May Ibasco

Freshmen:
Counselors visited the 9th grade classes in October to provide a Freshman Survival Guide to help our 9th graders understand the expectations of colleges and the importance of their high school record. Grading scales, GPA’s, transcripts of high school academic work, building a resume of activities and experiences, and beginning to identify what is important in a college choice, are some of the items covered.

Sophomores:
Counselors visited the 10th grade classes through AP European classes. The focus was to encourage students to build their resume early and plugging into service-related activities. Students participated in a small group activity and were given an activities and experience form and community service verification forms.

Juniors:
Counselors will visit the AP US History classes to deliver the junior planning meeting presentation. The focus is to share information that students will need to successfully plan their senior year college and scholarship application season. These meetings with parents, student, and school counselor, usually last 30-60 minutes. Students/parents can secure an appointment from now till end of April. Please visit the Stanton website, under students > Class-Juniors for more information.

Seniors:
Bright Futures – you should have completed the online application, submitted your community service hours verification form, and have taken the SAT or ACT. Go to Florida Shines to check your Bright Futures GPA (which is different from your State or District GPA that is on your transcript). If you need to retest in order to qualify for the higher award, you can take the SAT and ACT through the June test date. For complete Bright Futures information, go to www.floridastudentfinancialaid.org

Senior Year Grades are important! In your acceptance letter to college(s), there will be a language or email that states the acceptance is conditional on your successful completion of 12th grade. That means that your grades this year must be very similar to your grades in 9th – 11th grades.

School Counselors will come to your classes around April to gather all of your college decisions and merit scholarship offers. Please save all of this information, including offers of merit scholarships (these are the offers that are NOT included in your financial aid award letter), whether you will use the merit scholarship or not. We need all of this information for various reporting agencies within the states.

Upcoming events:
2/20: Jacksonville College Prep College Fair, UNF’s University Center, 5pm-7pm
2/26: College Panel Night, Stanton Media Center, 6pm-7pm

Blue Devil Athletics ~ Chris Crider

Stanton has welcomed two new coaches, Billy Rodgers is the new Varsity Softball Head Coach, and Eric Owen is returning to us after several years as the Varsity Baseball Assistant. Both come to us with great experience and our teams are excited about what we’re going to accomplish!

Alex King from Girls’ Soccer was the latest Stantonian to be recognized as the 1010XL Student-Athlete of the Week! Please congratulate her! She was on the air with the 1010XL hosts to talk about her soccer career at Stanton as well as her academics. We are very proud of her!

Congrats to Boys’ and Girls Soccer to winning District Championships and a convincing win for the girls in Gateway! Although the seasons both came to an end sooner than we hoped, both teams are loaded with young talent and are eager for next season already! We are proud of you!

SCP Cheer had another strong performance at Nationals! Coach Holly and the student-athletes have worked hard all season and it really paid off! Keep doing big things!

Boys’ Basketball had a highlight against Terry Parker near the end of the season that was captured on video. Simeon Womack hit a game-winner and his father called "ball game" while the ball was in the air!

We’re looking forward to the start of the Lacrosse, Baseball, Softball, Flag Football, Tennis, and Track & Field seasons. Good luck to all of the teams. Work hard, do your best, and complete with honor and class.
