Principal's Message December 2023

Dear Parents and Guardians,
The month of December always flies by! We have so many fun activities planned for our students and staff but will also remain focused on instruction.

Our teachers are working hard to implement Zones of Regulation in the classroom. We want all our students to understand feelings and be able to learn ways to regulate those feelings.

We hope that you will enjoy the holiday season with those you love and are already looking forward to a wonderful new year!

Yours in Education,
Stephanie Smith, Principal
