Issue 2

News from the BSE Administration Team

Dear BSE Parents,

We are quickly approaching the end of the 1st 9 weeks grading period. If you have questions or concerns about your child's progress, please be sure to contact your child's teacher.

As a reminder, the deadline has passed to enroll your child in Duval HomeRoom. If your child is currently in Duval HomeRoom and you would like to transition them back to Brick and Mortar, please contact the office as soon as possible.

In an effort to keep our students and staff safe, we need you to wear a face covering anytime you come on campus. This includes the bike and walker area during dismissal. We have noticed parents congregated together in the area that are not wearing any type of face coverings. Please help us by either socially distancing yourselves by 6 feet or by wearing a face covering. We appreciate your cooperation!

Dates to Remember

October 15

End of the 1st 9 weeks

October 16

Teacher Planning Day
No School for students

October 20

SAC Meeting 6 pm
Media Center

October 26

Report Cards go home

October 27

Fall Pictures (for Duval HomeRoom students) and Picture Retakes

October 28

Wellness Wednesday

Music News

Celebrating Hispanic Heritage in Music! Many students have had the privilege of hearing Mariachi in music class, but nothing can replace LIVE music! Next time your family is in the mood for Mexican, Ms. Spears challenges you to find a restaurant with a live band. Ask your student(s) to identify the instruments that perform.

News from the Reading Team

The end of the first nine weeks is right around the corner! Make sure your student continues to log their books, so they can be celebrated on October 23rd. We are inviting all K- 5 students to dress up in PJs for the celebration, but only those that met their reading goal will receive a special treat!

October is National Bullying Prevention Month

A Month Long Event to Prevent Childhood Bullying and Promote
Kindness, Acceptance, and Inclusion

Founded by PACER's National Bullying Prevention Center in 2006

Every October, individuals from across the nation—and around the world—unite with the powerful message that bullying should never be a part of childhood.

The campaign is a catalyst for:

- Involving a nation to take action at the local level to create safe and supportive schools
- Offering information and education about how everyone can prevent bullying
- Providing a platform to hold school and community events
- Sharing information about the issue through news media, social media, videos and print publications
- Talking with education and public policy leaders about their roles in bullying prevention
- Promoting dialogue between educators, parents and students on their roles in addressing and preventing bullying
- Encouraging organizations to share information about their bullying prevention resources
- Inspiring everyone to unite for kindness, acceptance and inclusion
- Helping to create a world without bullying

Resources

The resources below advocate for bullying awareness and work to increase knowledge surrounding Bully Prevention services and education.
