April 20, 2020

Greetings Saint Nation:

Now that the Governor has addressed the online school issue, we can stay focused on our online learning model for success. It is very important students continue to log in and complete teacher assignments. A number of our activities have been postponed or rescheduled into the summer months such as our 8th Grade Transition Camp, Graduation, etc.

---

Also, a number of our events will move to a virtual model such as 3rd Qtr. Honor Roll Assembly (Sponsored by our PTSA), our Fall and Spring Sports Banquet as well as our Senior Awards Ceremony to name a few. We will continue to celebrate the great work of our students. COVID-19 will not deny the #Saint Nation! We are Saint Strong!

## Yearbook

The cost of the yearbook is \$85. You may purchase them online at [yearbookordercenter.com](http://yearbookordercenter.com) and our school code is 14455.

---

**Virtual School for Remainder:** Please plan accordingly to finish out the year online. Encourage students to keep their same schedule of getting up early and attending all classes for the entire day.

**How to Check Your Child's Online Status?** Easy to check through FOCUS. Double click each class in the grade book function and you will see which assignments have been submitted or not.

---

**Senior Debt List:** We will be sending out next steps in determining Senior Debt. Stay tuned. We are working on an convenient plan to allow parents to check their child's debt status (Seniors Only).

---

### **8th Grade Transition Going Virtual**

Our annual transition for our incoming 9th graders normally held in June will be postponed until July due to the COVID experience. The date will be announced toward the end of May for all new students to Sandalwood High School.

---

**Report Cards:** Already available online. Please check your child's FOCUS account for results.

---

**Census 2020:** Thank you to all of you who have already completed the U.S. Census. If you haven't completed the Census yet, consider doing so as soon as possible. The Census count is a big factor in federal funding our community receives. It's simple: The more accurate our count of people, the more likely we receive the funding we need for many federal programs such as head start, after school programs, and free and reduced-price school lunches.

To complete the Census, just go to the website [www.2020census.gov](http://www.2020census.gov). And yes, if your family has borrowed a district laptop for school use, you can use that laptop to fill out the census, as well.

It only takes a few minutes, but the positive impact lasts for a decade. It really does mean a lot for our school and our students. Thank you for taking the time to participate in the US Census.

---

**Refunds** for Prom, Senior Week, and the Chorus Field trip have already started going out in the mail. Refunds for the Thespian Field Trip are not complete as the school waits for funds from the vendor to begin the process. Drivers Education refunds should begin by next week. Thank you for being patient as we process over 800 refunds for all the previous events. Please Note: We will have Graduation in July so there will not be a refund for graduation fees.
