OVERVIEW

The Duval County Public School District Local Education Agency (LEA) can only receive Title I, Part A funds if it conducts outreach to all parents and family members and implements programs, activities, and procedures for the involvement of parents and families consistent with Section 1116 of the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA) of 1965. The programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children.

School level plans are required to be developed with the input of parents and families to improve student achievement and performance. The planning process can also include meaningful consultation with employers, business leaders, and philanthropic organizations. This template will assist schools with the best practices aligned to federal, state, and local expectations for compliance.

Below is an approach that can be used for Parent and Family Engagement.

"Treat children like they make a difference and they will."

NEEDS ASSESSMENT

The Needs Assessment is the foundation of the Parent and Family Engagement plan. When meeting with parents and stakeholders, data from the needs assessment process provides previous year and trend data that can be used to make decisions about plan implementation for the upcoming year. That way decisions are not arbitrary but data-driven and purposeful.

Previous Year Financial and Programmatic Outcomes

Fiscal Overview from the Previous Fiscal Year

(this section is not required for new Title I Schools)

Total Parent and Family Allocation from the Previous Year	Total Funds Expended	Total Funds Remaining
\$3,328.00	\$1,797.15	\$ 1,530.85
If funds remained at the end of the year, explain why funds weren't fully expended and how parents will be engaged to plan for funds to be fully expended during the current plan year		
*Items such as the renewal of our Rosetta Stone software to assist our parents who speak another language to learn English and come a support to their student. This software was to be purchased through Title I but due to a new bookkeeper it was ordered through our general fund by mistake. *We did not spend the monies needed for translators. Our translators are our ESOL Paraprofessionals who will not accept payment. However, I will ensure that we pay them anyway. *We did not spend the amount that we budgeted for food due to lack of having a consistent bookkeeper throughout the year. However, now I know how to continue and plan ahead for those just in case moments.

LEXIBLE PARENT AND FAMILY MEETINGS

Schools receiving Title I, Part A funds are required to convene an Annual Meeting. This meeting should be held at a convenient time for parents. Parents of participating children in the school shall be invited and provided with adequate notice and encouraged to attend the Annual Meeting. This meeting will inform parents of their school's participation under ESEA Section 1116 and explain the requirements of the Title I, Part A grant and what is available to parents and the right of parents to be involved. [ESEA Section 1116 (c) (1)]

Explain how the school involves parents and families in an organized, ongoing and timely manner in the planning, reviewing, and improvement of Title I programs including involvement in decision making of how Title I, Part A Schoolwide funds are used [ESEA Section 1116(c)(3)].

During the beginning of the school year we have our Parent Involvement Planning meeting which we discuss the Title I Plan A, the budget & allocations, and events we have scheduled for the year. Parents will be asked during PTA, SAC, and parent meetings and events for input and feedback on improvements that they see could be made and or changed (PTA and SAC are open to all parents and not limited to membership only). Parents will be asked to participate in a Parent Involvement meeting to work cooperatively with the administration to provide input to improve and increase parent involvement. Throughout the school year, Spring Park provides opportunities for student work to be showcased at each event, which draws our parents attendance. This allows us a full audience as we began each parent night with information regarding Title I Parent and Family Engagement. Finally, we host our Developmental meeting to provide input in the School Improvement Plan, to evaluate and provide feedback to the current Parent and Family Engagement plan, which enables us to revise our plan to incorporate parents' input and meet our parents' needs.

How will the school provide, with Title I funds, transportation, childcare, or home visits such services that relate to parent engagement to ensure barriers are removed so parents can participate in engagement events? [ESEA Section 1116 (c)(2)]

- Transportation -Spring Park will utilize parent involvement monies to provide bus transportation to special parent nights such as trips to the San Marco Library for literacy night and to the Edward Waters College Girls' Basketball game for our math celebration. In addition, Spring Park has a valuable partnership with Englewood Full Service, which provides bus tokens to our parents who have transportation issues throughout the school year.
- Childcare - We will budget to allow for someone in extended day to provide child care during evening events.
- Home Visits - We conduct home visits when we notice that we are having difficulty contacting the parent or it we know that the parent has transportation issues.
- Additional Services to remove barriers to encourage event attendance -

What documentation does the school have that parent needs for meeting times, transportation needs, childcare, and home visits for family engagement were assessed?

We use the b the Parent and Family Engagement Plan Development Worksheet passed out during the developmental meeting, to document and assess our parent's needs.

Required Developmental Meeting

The Developmental Meeting is held at the end of the year. It can be looked at as an End of Year evaluation of your Title I, Part A Parent and Family Engagement process. Additionally, it is an opportunity to connect with parents to start planning for the upcoming year. Even if your school is not Title I the following year, the best practices of parent engagement should continue. This meeting should evaluate how well barriers were reduced or eliminated and celebrate the successes of the year.

Describe the strategy that will be implemented to conduct the End of Year Developmental Meeting to evaluate Parent and Family Engagement that occurred during the year and to prepare for the upcoming year if the school continues to qualify for Title I, Part A funding.

We will conduct our End of Year Developmental Meeting a little differently this school year. We will have two sessions (morning and evening) available along with the development worksheet available for the languages that are spoken at my school. This will allow greater input and feedback from our parents. We will also provide an opportunity for our SAC and PTA to gather information from the parents that attend their last meeting of the year to help with additional planning and evaluation of our current program.

BUILDING CAPACITY

When a school receives Title I, Part A funds, it is responsible for building the capacity of each parent to improve their child's academic achievement. This includes activities and strategies for parents to understand challenging State academic standards; State and local assessments; how to monitor their child's progress and work; literacy training; how to use technology; and other strategies of how parents can assist their child with the learning process. All funds expended under this section should align to this section and to achieving the goals in the Title I Schoolwide plan by engaging parents and families. [ESEA Section 1116 (e)]

BUILDING THE CAPACITY OF PARENTS AND FAMILY MEMBERS

<p>Reflecting on the needs assessment process, what is an overview of how the school will implement activities that will build the capacity for meaningful parent and family engagement?</p>
<p>First, Spring Park Elementary Parent Involvement Committee reviews the parental input provided on the Parent and Family Engagement Plan Development Worksheet. Then the committee takes a look at our needs analysis, academic data, and our school improvement plan. We then develop a strategic plan of activities for our parents and families to engage them in purposeful activities that will not only increase parent involvement but meet the academic needs of our school such as understanding assessments, the growth mindset, understanding RtI, and how to engage students in purposeful home learning activities. In addition, we design programs that will also foster strong parent and family engagement through hosting non-academic nights such as Father Daughter Dances, Movie Night, and Healthy Eating.</p>
<p>How will the school implement activities that will build relationship with the community to improve student achievement?</p>
<p>We will engage our community and faith based partners by having them to come out and provide assistance during our events. We will also host some of our events at our faith based and community partner's locations. We will recruit volunteers for tutoring and mentorship from our faith based and community partners. In addition, we will ensure that our local colleges and community leaders are on our email distribution list to receive all of the events and updates about the school and Title I.</p>
<p>(1) How will the school implement the Title I Parent Resource Room to support Parent and Family Engagement? (2) Explain how the Parent and Family Engagement Room is advertised to parents. (3) Explain how school staff (teachers and office staff) are trained on how to use the Parent Resource Room with parents.</p>
<p>Spring Park will provide a parent reception (Hall of Fame for Parents) area located in the main office of the school. There will be signs posted to provide direction to the Parent Hall of Fame. We will also train the Front office staff Ms. McCoy, Mr. Burden, and Mr. Gainey along with our staff during pre-planning on how to assist parents with accessing the computers to register to become a volunteer in DCPS schools, locate the Parent Hall of Fame and locating the academic games and other resources for parents to check out. In addition, other parent resources and information will be provided in the reception area that parents will be able to use at home with their child.</p>
<p>If there are additional ways resources are provided for parents through the use of Title I, Part A funds, how are they provided and what trainings are provided to adequately prepare parents to use the resources and materials at home with their children?</p>
<p>We will ensure each parent night/meeting session is connected to some of the resources that we provide in our resource center. We will design an event that will allow parents to utilize the games and other resources where our staff can provide support and the parents can check out the items they need at the end of the event.</p>
