### **Address/Phone**

If at any time your address of residence changes, it is necessary to notify the CRT Office with proof of change (i.e. electric bill, water bill, rental agreement) verifying your new address. Please complete a new blue card with the school to ensure that all necessary record sources are updated with your most current information. This policy also applies to changes in emergency phone number contacts.

### **Attendance Guidelines**

Students are required by Florida State Law to attend school regularly and promptly. According to state and county policies the following absences will be excused:

*personal illness	*family illness
*doctor's appointment	*court summons
*authorized religious holidays	*death in immediate family

\*inclement weather (as declared by superintendent)

A note from a medical professional or parent must accompany a student upon return from absence stating student name, reason, date/duration of absence, a valid adult signature, and working phone number. The note should be turned in to the Main Office. Teachers are not to be handed any documentation verifying reason of absence from school. The attendance clerk will document as excused or unexcused according to documentation received.

School attendance is the direct responsibility of the parent/guardian and student. The Attendance Intervention Team (AIT) will contact a student's legal parent/guardian to attend an AIT meeting conducted at the school once an excessive amount of unexcused absence days occurs. Twin Lakes Academy Middle's AIT works in conjunction with the State Attorney's Office in ensuring students and parents are held accountable for student's presence in the classroom and academic achievement.

Any person planning to pick up a student from school should report to the Main Office with a current picture ID and the adult signing the student out must be a legal parent/guardian and/or appear on the student's blue card for the student to be released.

Students will not be called from class for parent pick up for any reason (other than extenuating medical or family emergency reasons by an Administrator) after 3:30 p.m. on regular schedule days. On early release days, as indicated on the district calendar, the cut-off time for parent pick-up will be 2:15 p.m.

### **A.M. Arrival**

Students are allowed on campus at 9:00am. All students MUST wear a mask upon entering the school campus and have their temperature taken before transitioning to their holding area/breakfast/homeroom/first period class. If a student does not have a mask, one will be provided for them as they arrive on campus. Car riders and walkers will line up past the main office in the breezeway heading into the breezeway gate using the Timberwolf prints as a social distance guide. Once a student's temperature is cleared, they will receive a colored sticker with the date on it. Car riders and walkers who arrive before 9:10 am will proceed through the front breezeway gate, down the path, and to the auditorium ENTRANCE door to the holding area. Car riders and walkers that arrive after 9:10 am will proceed through the front breezeway gate after having their temperature cleared, down the path and head directly to homeroom/first period class.

Bus riders will enter the auditorium EXIT door and line up using the social distancing markers at one of the tables to have their temperature taken. Once a student's temperature is cleared, they will receive a temperature date sticker. Bus riders will then proceed to sit in the holding area by grade level after having their temperature cleared.

At 9:10 am an announcement will be made to release all students to their 1st period class. Students in the holding area, and all students that have had their temperature cleared after this time, will then proceed out the auditorium ENTRANCE door, reporting directly to their homeroom/first period class. Breakfast will be available in the classroom from 9:10 – 9:30.

If a student registers a temperature over 100.4, the student will report directly to Room 301, where their parent/guardian will be called to pick them up. If a student that is exhibiting signs or symptoms of COVID-19 chooses to have breakfast, it will be delivered to room 301 by a staff member.

Students not reporting to their designated areas will receive consequences according to the Duval County Public School Student Code of Conduct and/or possible removal from participation in before/after school activity, at the discretion of administration/activity coach or advisor.

### Backpacks

Permitted backpacks (clear and mesh) can be worn by a student throughout the school day to carry necessary supplies. A backpack is considered ANY TYPE OF ENCLOSURE that carries belongings the size of a pencil or larger that is manufactured and meant to be worn on the back of an individual.

### Bicycles

Students are permitted to ride bikes to school. They must be properly locked in the rack area of the parking lot and must wear appropriate helmet dictated by law for safety reasons. A student will be provided one verbal warning in regard to not wearing a helmet and thereafter will be issued a written citation resulting in a monetary fine to be paid by student & parent.

### Bus Passes

Students are expected to ride their assigned bus daily.

### Bus Schedules

Parents must register their child for a bus. Please make sure that your address is updated in FOCUS, as this will be how your bus route is assigned. Bus schedules will no longer be posted on the website but can be viewed by parents in FOCUS.

If the parent moves, the parent will need to contact the school to have the school change the address in FOCUS. This change will be sent to transportation and we will process the change. The new student bus itinerary will be posted on the parent FOCUS account. We ask that the parent make this change at least two weeks in advance before the student must ride the new bus. It will take a couple of days for this entire process to go through.

### Cafeteria Prices

**Lunch: FREE**

**Breakfast: FREE**

**Students without an I.D. cannot receive breakfast or lunch, as there is no longer a keypad to enter Student #, only a scanner.**

### Celebration Items

TLAM faculty understands there are many monumental moments in the lives of our students. For safety reasons, TLAM cannot allow students to carry balloons, any flower arrangements, stuffed animals, or any other large type of celebratory item that may pose an unsafe, hazardous, or distracting environment. These items if brought on campus will have to be stored in the Student Services Office area until the end of the school day.

### CHAMPs

CHAMPs is an acronym standing for Conversation, Help, Activity, Movement, and Participation. This behavior system is used school-wide in all common areas (hallways,

cafeteria, gymnasium, media center, etc.) and classroom settings. Each student will be instructed in the various CHAMP rules, rituals, and routines to guide every aspect of their daily events at Twin Lakes Academy Middle.

**Daily Schedules**

**Students are not to be on school grounds prior to 9:00 a.m.** UNLESS he/she is assigned to and/or scheduled to attend a specific before school academic related support program. Breakfast begins promptly at 9:00 a.m. in the cafeteria.

**Students are not to be on school grounds after 4:15 p.m.** UNLESS he/she is assigned to after school detention or is a participant of After School Tutoring, after-school club or athletics. If a student is on school grounds without authorization or purpose, the student will be charged with trespassing according to the Student Code of Conduct.

**Discipline & Other Behavior Interventions**

Parents/Guardians will be notified immediately via phone, email, or in writing prior to student attending an assigned in-school or out of school discipline. After school detention date (on **Tuesdays** only from 4:15-5:45 p.m.) will be designated on the disciplinary referral form. A copy of the discipline referral is available through FOCUS. A hard copy of the discipline referral may be requested from an Administrator or Dean of Students. According to the DCPS Code of Student Conduct, it is the responsibility of the student to provide information from the school to the parent regarding disciplinary actions.

If a teacher assigns detention, the teacher is taking action in lieu of submitting a formal referral to the Dean or grade level administrator, the teacher will contact you directly. The teacher will designate the appropriate day and provide the student with an academic/behavior intervention form for your documentation.

**Class suspension, In School Suspension Programs, and Restorative Justice are all clearly described in the DCPS Code of Conduct.** Some of these interventions are in lieu of or in direct result of a formal discipline violation being processed. This will be determined by the Dean of Students or the school-based administrator handling the student matter based upon the individual circumstances.

If a parent experiences an emergency situation or extenuating circumstances resulting in the student not being able to attend assigned discipline, it is the responsibility of the parent to contact the appropriate administrator or teacher PRIOR to the time of the assigned discipline to reschedule. If the student does not attend assigned discipline, a Class II violation may occur and an increased consequence will be assigned.

**Dress Code**

The DCPS Code of Student Conduct addresses specifically what can and cannot be worn on a school campus. Students will be removed from the hallway, classroom, cafeteria, or any other setting on campus and directed to an office area for parent contact.

	1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	4 <sup>th</sup>	5 <sup>th</sup>
1.06 (ZZZ) Nonconformity to the General Code of Appearance (see appendix for general code of appearance)	<ul style="list-style-type: none"> <li>School Determined Consequence</li> <li>Parent Contact</li> </ul>	<ul style="list-style-type: none"> <li>Parent Conference</li> <li>Detention</li> <li>Behavior Contract w/progress monitoring</li> </ul>	<ul style="list-style-type: none"> <li>1-2 days ISSP</li> </ul>	<ul style="list-style-type: none"> <li>2-4days ISSP</li> </ul>	<ul style="list-style-type: none"> <li>5-7 ISSP</li> </ul>

If a student does not have appropriate garments or accessories to correct the dress code violation in his/her possession on campus, a parent can arrange for additional student garments/accessories to be delivered, or the parent can arrange for the student to be picked up from school, or the parent may choose for the students to take advantage of clothing provided here at TLAM to rectify the dress code. If not, the student will be placed in In School Suspension for the duration of the day.

TLAM has a zero tolerance for the wearing of bedroom shoes/slippers, any type of halter, tank, backless, or spaghetti strapped tops, bandanas, headbands, and hats. Any item of

clothing that is designated by a member of TLAM faculty to be distracting due to length, tightness, showing of excessive areas of body, showing of inappropriate undergarments, or stating offensive or indecent language or messages will also be addressed immediately. Pants worn below the student's waist level and shirts revealing cleavage will not be allowed.

Hooded jackets and sweatshirts are permitted to be worn if the hood portion of the jacket or shirt remains off the student's neck and head. If the student cannot comply with the proper wearing of such articles of clothing upon verbal request, the student's hooded sweatshirt or jacket will be confiscated and turned in to the Dean of Students office for parent pick-up.

### **Electronic Devices**

Any student who brings ANY electronic device (i.e. laptop, iPad, tablet, cell phone, MP3 player, handheld game device, headphones, etc.) is AT HIS/HER OWN RISK. It is NOT the responsibility of the school to provide for the safety, protection, location, or condition of any electronic device. **Any electronic device brought onto campus MUST be kept in the OFF position and kept out of sight AT ALL TIMES.** If the device is seen or heard in any way, the student may receive a disciplinary referral to be submitted to the Dean of Students for disciplinary consequences. Specific direction will be given to students by individual classroom teachers if the students are permitted to have a device out and used for curriculum related research/activity. Confiscated electronic devices will be returned only to the student's parent or guardian that comes to campus in-person to sign for release of the device.

**Twin Lakes Academy Middle is NOT HELD RESPONSIBLE for the replacement of any lost, stolen, or damaged electronic device brought onto campus.**

### **Enrollment & Withdrawal**

A parent/guardian is required to come by the CRT Office a few days in advance of the student's last day of school to sign an intent to withdraw form. On the student's actual last day, he/she will need to go to the CRT Office to get the withdrawal form and have teachers supply withdrawal grades and turn in books. The withdrawal form should be returned to the CRT Office by the end of the last day where a photocopy will be provided to the student and any other necessary paperwork for enrollment to the new school. Upon receipt of a request for records from the receiving school, Twin Lakes Academy Middle will forward all necessary documents to the receiving school.

### **Food & Drink**

The only location on campus that food and drink is permitted is in the school cafeteria. This includes but is not limited to gum, candy, and sunflower seeds. **ALL** food related trash must also be thrown away in the cafeteria prior to leaving (i.e. straws, napkins, wrappers, etc.). Disciplinary action will be taken if a student refuses to comply with this request and a disruption to the safety and order of common areas or classroom instruction time occurs. Food and drink items students have in their possession in unauthorized areas will be confiscated immediately by a faculty/staff member.

### **Guidelines for Success**

**P**ositive attitude

**A**lways do your best

**C**uriosity in learning

**K**indness towards others

### **Hall Passes**

**EACH** student must have his/her own hall pass to leave a classroom. Hall passes are reserved for emergency restroom breaks, office visits when requested by an administrator, Guidance Office visit upon request, check-in/check-out reasons by the Main Office, or other teacher directed site for instructional reasons. **If a student is found without a pass in the hall, it is understood that the student is skipping class and will be disciplined**

**accordingly.** Hall passes will not be issued by teachers during the first and last fifteen minutes of each class period under any circumstances.

Supervised restroom breaks will be scheduled into the student's day.

### **Health Services**

A nurse is available for health consultations one day per week at Twin Lakes Academy Middle from 8:00 a.m. – 4:30 p.m. Please notify the school nurse if your child has a chronic disease or medical condition. A signed medication form must be completed and on file with administration for any student to receive prescribed or over-the-counter medications. **ALL MEDICATION** must be in the original container with the student's name on it in order to be dispensed.

Basic band-aids, gauze products, and ice can be obtained in the Student Services Office. If your child is not feeling well during the school day, the Student Services office will assist students within reason and professional capabilities. The child will always be given the opportunity to use a school phone to contact a parent/guardian to inform of medical condition. If a parent/guardian cannot be reached for pick up and the office personnel has done all possible to assist the student, the student will be expected to return to class for the duration of the class/day.

### **Immunization Requirements:**

Florida law requires that students must have on file a Florida Certification of Immunization (DH Form 680) or have an exemption on file at their school. To meet the requirements for a Florida Certification of Immunization, a child must have the following:

- At least four doses of the DTP or DTap (diphtheria, tetanus, pertussis) vaccine with the last dose given on or after the fourth birthday (otherwise, a fifth dose is required);
- At least three or four doses of polio (IPV/OPV) vaccine with the last dose given on or after the fourth birthday (otherwise a fifth dose is required);

- HIB (haemophilus influenza type b) vaccination for children under five years of age;
- Hepatitis B series is required to attend pre-school through 12th grade;

The required immunizations are available at your child's medical provider or the Duval County Health Department's Immunization Center at 5222 North Pearl Street, (904-253-1420).

### **Transfer students**

Florida laws authorize school officials to permit transfer students who present proof of measles vaccination to attend school up to 30 school days until their records can be obtained **UNLESS** the student is transferring into a grade covered by a policy for two doses of the MMR vaccine and/or documentation of Hepatitis B vaccine series or Varicella. **Students transferring into 7th, 8th and 9th grades require an additional proof of a recent Tetanus, diphtheria, pertussis vaccine.** Students who do not have the required vaccinations will not be permitted to be on campus. Parents/guardians will receive a phone call for student pick-up and the student will only be permitted to return to regularly

scheduled classes when appropriate documentation can be provided for the student's file indicating all required vaccinations have been received.

### **Locks & Lockers**

Physical Education requires a \$2.00 charge for lock & locker rental. Physical Education locks & lockers are monitored through the Physical Education teachers. Students **SHOULD NOT SHARE THEIR LOCK COMBINATION** with peers at any time for any reason. It is also strongly advised that students store only his/her own personal property in his/her locker, not a friend's personal property. Twin Lakes Academy Middle is **NOT HELD RESPONSIBLE** for any items stored in any locker. Students are not permitted to use this locker throughout the day to store personal belongings. Students are **ONLY** permitted to enter the locker room during dress-in and dress-out time during their assigned class period per their student schedule.

### **Lost & Found:**

Lost and found is located in Student Services and the Main Office area. Lost and found items can be retrieved between 9:00 a.m. - 9:30 a.m. and during 4:15 - 4:25. All items left without an owner will be turned into this area for pick-up. Twin Lakes Academy Middle is not responsible for any misplaced or left items throughout the school. Only electronic devices will be locked up in a filing cabinet requiring a parent pick-up. Lost and found items will be donated to a local charity on the last day of each quarter if the items have not been claimed. Verbal announcements will go out to students to remind them to periodically check the lost and found area for missing items.

Large amounts of money or checks written for large quantities should not be brought to school and carried around by a student for any reason. If a student needs to carry cash or monies over the amount needed for lunch, the student should report immediately to the Main Office to have the money accurately labeled and locked in a file cabinet until the student can directly disperse it to the appropriate teacher, club advisor, or athletic coach. **TWIN LAKES ACADEMY MIDDLE will NOT BE RESPONSIBLE for any lost or stolen money while on school grounds.** It is the personal responsibility of the student to follow through with safeguarding the monies.

### **Make-Up Work**

For any absence, students can be provided one day of make-up work per day of absence of class and will have the total number of days absent to complete and return work to individual teachers for full credit. It is the **RESPONSIBILITY OF THE STUDENT** to ask for, retrieve, complete, and return work for credit to the assigned teachers upon his/her return. If the absence is anticipated to last for a duration of more than a 2-3 days, it is recommended the student's family contact the Student Services office at 538-0825 ext.1600 to discuss arrangements to collect and pick up missed class work so the student will not academically fall behind in content or pace.

For any absence dictated by disciplinary action (i.e. suspension), it is the responsibility of the student's parent/guardian to contact the Dean of Students office at 538-0825 ext.1800 to arrange for work compilation and pick-up. It is the **RESPONSIBILITY OF THE STUDENT** to return all completed class work to his/her assigned teacher.

### **Media Center**

Students may request a Media Center pass from teachers to checkout or return books and/or perform research. No more than five (5) students from one class may come to the Media Center at the same time. Students must sign-in and have an ID to check out books or use computers and may borrow no more than two books at one time. Loan privileges will be suspended for students with overdue, lost or damaged books until all books are returned, replaced or paid for in **cash**. Lost or damaged paperback books may be replaced with a new copy of the same book or pay the full cost replacement fee.

### **Parent Visitation**

Parents are always welcome on campus, but for security reasons parents are to report directly to the Main Office located in the front of the building upon entering to present photo ID, sign in, and obtain a visitor badge.

It is necessary to call ahead for an appointment if you would like to speak with an administrator regarding a concern or program. Scheduled meetings will be honored and unscheduled meetings will be handled as the administrator's schedule is open.

If you would like to shadow your child for any reason, 24-hour notice is necessary for teacher notification and parents must complete volunteer application. Please call an Administrator to schedule your appointment.

### **Physical Education**

Progress reports are sent via FOCUS mid-way through each grading period containing grades for all classes currently scheduled. If you would like to receive a printed copy of your student's progress report, call the Guidance Office to obtain a photocopy of the most recent update.

FOCUS system is utilized by all teachers at Twin Lakes Academy Middle. FOCUS is an online accessible program that allows parents to view their student's current grades and academic progress at any time. Parent FOCUS accounts can be set up from the DCPS website.

Individualized or small group academic interventions may be implemented during normal school hours as a pull-out, partial or full day program at the discretion of a team of teachers, guidance, or administration. This type of intervention may include, but may not be limited to, students in danger of receiving a 'D' or 'F' at progress reporting or report card times. Academic interventions strive to increase the student's current and future performance on daily classroom tasks and district/state assessments.

### **Pupil Progression Plan**

Section: e) Assignment of Report Card Grades for Students with Disabilities: Prior to assigning a failing grade to a student with an IEP/504 Plan:

2. For students in danger of receiving a failing grade due to academic/behavioral deficits: Review on-going progress monitoring data to determine individual student remediation needs and to evaluate and revise classroom instruction/interventions based on the needs of the student, as identified in the current IEP and/or 504 Plan. Document provisions of remediation to support progress toward proficiency on grade level standards
3. For a student with an IEP in an inclusion setting, communication and collaboration between the ESE teacher and the general education teacher(s) must be documented throughout the grading period.
