The AnnieRuth Foundation's 2022 Summer Internship Program

Attention High School Students!

The Summer Internship Program provides a safe, professional environment for high school students to develop personal, academic & workforce skills, interact with leaders from around the world, learn from subject matter experts, be mentored by professionals and earn money for their future.

Award recipients receive a stipend while interning.

Program Requirements

- Lives in Duval or Orange (and surrounding counties)
- Is currently a high school Junior or Senior
- Maintains a 2.0 or better GPA
- Submits an 'original' 1,000 word essay
- Attends monthly "virtual" business seminars

DON'T DELAY, APPLY TODAY!

Sowing seeds, strengthening communities
