

How does SAC operate?

SAC operates according to a set of By-laws voted on at a SAC meeting each year. All meetings are in accordance with the Government in the Sunshine Law, section 286.011(1).

SAC captures minutes from each meeting and has them available for review at any time. We will gladly share them with you.

We also have an e-mail notification system. Even if you are unable to attend a particular meeting, we will submit the meeting minutes via e-mail so that you can stay connected to your SAC and your school.

While SAC does not have all the answers, we know that a group of people working together who are committed to a single purpose can bring about positive change.

For more information or to let us know you would like to join, call Kristin M. Shore at 220-1260 or email at shorek@duvalschools.org.
