Notes:

1. Courses offered on the high school campus may vary and is dependent on the availability of credentialed staff. Adjustments made to courses taken on the high school campus will impact the course progress.
2. \*\*Math and science course selections may vary if a student qualifies and elects to take a different course or wishes to pursue secondary math or science certification.
3. The school may elect to offer English I and English II on a four-by-four schedule simultaneously for the full year.
4. The Colleges and District reserve the right to adjust the course progression as needed.
