Note: a student who enrolls in a Florida public high school in Grade 11 or 12 and provides satisfactory proof of attaining a score on an approved state approved alternate assessment that is concordant with a passing score on the Grade 10 FCAT will satisfy the assessment required for a standard high school diploma. The last administration of FCAT 2.0 was Spring 2018. **Students have in perpetuity to earn concordant scores.**

Note: The Florida Department of Education (FDOE) cancelled State assessments during the spring of the 2019-2020 school year due to school closures as a result of COVID-19. FDOE Emergency Order 2021-EO-02 issued guidance allowing for assessment waivers for seniors graduating in the 2020-2021 school year. Students who did not graduate in the 2019-2020 or 2020-2021 school year will be required to pass the appropriate State assessments required for graduation.
