On-Campus Parking Rules

All students who receive a parking permit must adhere to the following:

1. You must have your decal hanging visibly on your rearview mirror, park in your assigned parking lot, and park in your assigned parking space or you could be towed at the owner's expense.
2. If you drive a secondary vehicle that you have registered, transfer your decal to the rear view mirror.
3. If you have lost your decal, immediately notify Student Services to receive a replacement or temporary permission to park on campus. If not, you could be towed at the owner's expense.
4. Loitering in the parking lot before, during, or after school is not permitted. When the bell rings, you must leave school grounds unless you are attending a school-sponsored activity (You must be with a supervising adult by 3:15 PM).
5. You may not go to your vehicle during school hours. Take your books, lunch, projects, etc. with you when you leave your vehicle in the morning.
6. You are responsible for all activity involving your vehicle.
7. Paxon administration and the SRO have the authority to search any car parked on campus when a probable cause has been determined (i.e. drugs, weapons, alcohol).
8. Cars parked on campus without a permit are subject to be towed at the owner's expense.
9. Parking privileges may be suspended or revoked for violation of these rules and other infractions as determined by school administration.

I have read, understand, and agree to abide by the On-Campus Parking Rules. I realize that failure to comply to these rules could result in towing of my vehicle, suspension, or revocation of parking privileges.
