		<p>DEOC=District-End-Of- Course exam Exact dates of EOC tests are determined and communicated by individual course teachers to students.</p>	<p>DEOCs can currently be proctored by teachers and taken by students remotely. This may be subject to change at any time. This is determined at the district level not the school level.</p>	<p>DEOCs are worth 20% of a student's final course grade calculation.</p> <p>Please email archonk1@duvalschools.org with testing questions.</p>
