

PSAT for 9th, 10th, and 11th grade students and SAT School Day for Non-Concordant Seniors is just around the corner. If you have not yet applied for CollegeBoard accommodations, which can be used for PSAT or SAT School Day, please see or email your school counselor **no later than September 10th** to begin the process of discussing CollegeBoard accommodations eligibility and application processes. If you have already applied in a previous school year and were granted permission to utilize specific CollegeBoard testing accommodations, you do not need to re-apply. You will not receive any accommodations for PSAT or SAT School Day UNLESS you formally apply for and are granted accommodations through the CollegeBoard process. Get started today!
