PLEASE VISIT OUR WEBSITE (to view curriculum guide) @ <http://aiceschools.org/jna> Summer assignments for grades 9-12 will be posted on this school website.

Please be sure you have chosen the courses you would like to take. Materials are ordered and teachers are assigned based on the course selections of the students. Course offerings may be dropped due to limited student interest. In this case, we will use your alternate choices.

By signing below, I have received a copy of this form and will take it home to share with my family. I will discuss my course selections with my parents/guardians and teachers. I understand that once my schedule is made, a change requires counselor approval.

 * Semester Course
 ~application/permission required

AICE students will be scheduled into enough AICE courses to continue working towards earning the AICE diploma. This is an expectation of all students in the AICE program.
 **AICE Global Perspectives is a mandatory graduation requirement.
 Courses in box sets are taken together (e.g. Humanities and AP Art History)
 Students beginning with 3 letters are Dual Enrollment and have special requirements per FSCJ, EWC, and ERAU.
 Students enrolled in DE courses must be enrolled in SLS1103 during the 2019/20 school year if they have not already completed the course. FSCJ DE classes require college ready scores (w/exception of SLS) and a 3.0 unweighted GPA.
