Senior Showcase: Attention 2020 Graduates,

Fletcher High School and Channel 4 are working on a special program that will celebrate the great work of the class of 2020. To assist us with this program we need the following information from each graduate. Please send the following items, in one email, to Coach Salls at sallsk@duvalschools.org.

1. Graduate's First and Last Name
2. Graduate’s plans after high school (college, major, work force, military, trade school, etc.)
3. List of activities they participated in through High School (clubs, athletics, arts, etc.)
4. Attached any group photo's of activities throughout their tenure in high school - limit to 3 photos.

Parents can buy an add, congratulating their senior, that will air during the program. Information can be found at jaxhighschool912.com/virtual-graduations. This is on a first come first serve basis and will be completed through Jaxhighschools912.com.

Again, please send the listed information to Coach Salls at sallsk@duvalschools.org in one email.

Thank you and as always...Go Senators!!
