Hello Parents:

In our ongoing efforts to enhance your children's safety, we have decided to begin using the **PikMyKid Dismissal Application**. Throughout the country, it has been proven to simplify dismissal, reduce traffic congestion, and most importantly, improve overall safety.

The unique features of PikMyKid allow you, as parents, to easily change pick up modes, quickly delegate to an alternate individual for pickup, change to an 'After School' program, and even schedule for future pickup mode, pickup individual, and after school programs. This app allows you to be in full control of your child's dismissal and it gives us, the school, complete information regarding dismissal and the ability to acknowledge every change and to instantly check your child's dismissal status should you have a question.

We are very excited about this addition and know you will be too. Please go to our S.P. Livingston Website <https://dcps.duvalschools.org/splivingston> over the next few weeks for additional information and we will be on our way to a safer, quicker, and more efficient dismissal process. To Learn a little more on your own, please check out the following link that will show you a few of the PikMyKid features.
