

Sandalwood Volleyball Information 2024

Summer camp and beyond: To participate, you must have all paperwork signed with an updated physical and Summer Camp fees paid. (see Venmo below) Your **packet must be complete, and you must be cleared before participating in camp or tryouts or practice.** You must hand in your paper in paper form(you may email to wilsonh@duvalschools.org) **BY MAY 31ST** with the understanding that you will have to upload info onto a website in the future - so keep a copy. If you were previously on the team, you still need to do new paperwork for this year-If your physical is still in date, you may use that physical —just do not forget you will have to get a new physical before the expiration date to keep playing/practicing.

*** Dates and times are subject to change- Please make sure coaches have your correct cell and email address to notify you of any changes. ****

TRYOUTS: please be advised that this is not a city league or association “pay and play”- there are no guarantees for playing time once the athlete makes the team. The prospective player must first earn a spot on the team roster and then earn their playing time. Prospective athletes are expected to be at all tryouts. Talent is not the only factor considered when choosing members of the team. Gifted athletes might not make the team if: for example, they do not make my team play better as a functioning unit. Or the athlete has issues (on or off the court) such as bad attitude, bad behavior or problems with attendance/ academics.

*****athletes who were on the team last year do not have a guaranteed spot on the team and must tryout like everyone else*****

Practice information: once tryouts are over and you have made the team, you are expected to be at every practice unless otherwise informed.

Unusual circumstances may excuse you from practice, but arrangements or notice should be given in advance by email.

Email: Coach Hope Wilson wilsonh@duvalschools.org Blooms volleyball code: 9NBST2

COSTS/FEES/EXPECTATIONS IF MY CHILD MAKES THE TEAM:

- 1) Donations to the concession stand.
- 2) Booster membership \$ 25.00
- 3) Donating your time to volunteering for game day duties.
- 4) Team jacket /shorts/ socks package around \$ 200
- 5) Parents and players will also be expected to volunteer i.e., Help with games/concessions and the pre-season tournament.
