If you fail to get the permit on the first day of the session, you cannot drive our vehicles without a permit so you will not be able to get a license. There will be **NO REFUNDS** if you fail to get a permit by the first day of the session.

- The student does not need to be present to register – they can have someone register them as long as they have: parent address, work & cell phone #s, and school student attends.
- Vehicles are provided during each session.

- Do not bring purses or backpacks – you will be moving from classroom to driving range to street driving and will have to leave your belongings in the classroom. School is not responsible for missing items.
- Sneakers or flat shoes are required at all times for safety – no flip-flops or high heels.
