

Parenting & Advocacy
Parenting a Gifted Child

PARENTS:
YOU CAN RAISE THE BAR!

Understanding Your Gifted Child: K - 12

Gifted children are a unique population of students with specific personality traits and distinct learning needs. This Parent Academy will focus on the nature of gifted children and characteristics that are associated with giftedness. Parents will learn about these traits and how they impact their child's behavior and learning.

Presented by:

Dr. Wilson, UNF Associate Professor of Educational Psychology

Course Offerings:

Date	Time	Location
Wednesday, 05/01/19	6:00 -7:30 PM	Celebration Church Annex Building 10302 Deerwood Park Blvd., Jacksonville, FL 32256
