

SAILING Together WITH ALL HANDS ON DECK

Duncan U. Fletcher Middle School

Welcome new senators and welcome home returning senators to the 20-21 school year. We at Fletcher Middle School are proud to continue to be an "A" school that provides world class customer service. We are grateful for a smooth reopening of schools thanks to our talented faculty and amazing students. Our students have been 100% in compliance with our new safety rules and procedures. It is evident that they are demonstrating leadership and they want our schools to remain safe and open. This year our theme is, "Sailing together with all hands on deck." There is nothing we can't do or achieve together. Our school improvement goal to maintain our "A", is to engage students in using standard vocabulary and to extend class discussions beyond the surface using evidence from grade level text or standards.

"Safety isn't expensive, it's priceless."

In the event your child becomes sick or someone from your family comes in contact with COVID-19 please notify us at ohnsmans@duvalschools.org, matthewsc@duvalschools.org or 904-247-5929 as soon as possible so that we can inform the proper support.

"PTSA's mission is to serve the whole school and every child."

Shout out to our new PTSA President Ms. Nicole Story. Ms. Story has served on the board for the PTSA at Douglas Anderson School of the Arts (current), and has 20 years of beaches community experience (as a resident, school based therapist and as a board member at the Beaches Resource Center - Full Service School at Fletcher/Oversight Committee/Foundation, etc.) She hopes to connect more local beaches business partners in support of FMS/PTSA. The membership fee to join our school's PTSA for the 20-21 school year is \$6. Parents may sign up with the registration packet students brought home last week in a gold envelope. Please contact PTSA President Nicole Story at Nikistory4@gmail.com if you have additional questions.
