Tutoring and open lab will begin at FMS on **Monday November 16th, 2020**. Students must sign in to the teachers tutoring session immediately upon the start time to be admitted into the building and to monitor student attendance. Students that do not report to tutoring will not be allowed in the building whatsoever. Students that misuse their tutoring attendance privileges i.e. not report to the class they stated they were going to will not be permitted to participate. All students can attend, students with D's and F's are most strongly encouraged to take advantage of the opportunity.
