Andrea Y. Talley
Principal

Dear Seahawk Family,

Welcome Back! I hope that you enjoyed some much needed, overdue time off. I am so excited to begin the 2024-2025 school year. Thanks to each of you for your messages of encouragement and warm welcomes.

I hope everyone is ready for an eventful and fun year. I am truly looking forward to my first year as Principal of Landmark Middle School! It is an honor to be a part of the team. Everyday we all get the joy and privilege to touch the lives of the students of Landmark. We get to see growth, light bulb moments, extreme joy, sadness, learning, frustration, and all the other vents and emotions that our students go through on a daily basis. I feel so blessed to get to be a small part of each and everyone of our student's journey through life.

I am eager and excited to embark on the 2024-2025 school year. We will focus on our core mission to ensure we meet the academic needs of ALL students, in ALL classrooms, EVERYDAY. Additionally, I desire for us all to have fun while doing so. We are going to incorporate as many fun activities as possible for everyone to participate in. Please feel free to share any ideas that you have for students and teachers alike.

Please enjoy your remaining days of summer, I look forward to seeing all certificated personnel on Monday, August 5th for Pre-Planning, promptly at 8am. Continental breakfast will be served in the café. The agenda for Pre-Planning week will be emailed next week.

Sincerely,

Andrea Y. Talley
