

Mayport Coastal Sciences Middle School

Summer Reading Project

1. Summer Reading Project

- ❖ Choose one of the projects below to complete for ONE of your summer reading novels. This project should be completed over the summer and handed in the first week of school.

Project Choices:

- I. **Comic Book**- Create a comic book based on your book. Each page should be set up in a comic book format with illustrations and captions. Your comic book should retell the main ideas of the story including all required information.
- II. **Advertisements** – Go through several magazines and newspapers looking for advertisements of you think your character would like. Cut out the pictures, mount them on poster board, and under each picture write a few lines about why this product would appeal to your character.
- III. **Build a Model** – Select one of your favorite scenes or artifacts from your book and create a model that represents that part. Complete a one paragraph summary explaining how the model is important to the book as a whole.
- IV. **Character Alphabet**- Choose a character you liked from your reading selections. Create sentences based on the alphabet scheme that demonstrates your knowledge of the character. Your project should include the title of the book and the character's name. The following example illustrates a character alphabet of the character Zeke in the book Spite Fences.
 - **A** is the **Abuse** Zeke took at the hands of the racist mob.
 - **B** is for his **Bending over Backwards** to make sure the visiting civil rights activist could work in obscurity.
 - **C** is for the **Camera** that he gave Maggie so she could begin to look at the world in new ways
- V. **Book in a Bag**- is a book report contained in a brown paper or paper gift bag (any size). The inside of your bag should include items that you will be able to use to explain important parts of your book. The outside of the bag will be embellished with the following information:
 - The **front** of the bag should include: Title of the Book; Author of the Book; Hand-drawn illustration of a favorite scene from the book (like a book cover).
 - On the **back** of the bag, neatly write (or type) a one-paragraph summary of the book. (The summary should be 7-10 sentences long.) Also on the **back**, summarize the theme, or message, of the book. (1-2 sentences)
 - On the **side** of the bag, describe the main character and the primary conflict he/she faces in the book. (3-5 sentences). On the **other side** of the bag, state your opinion of the book. (Would you recommend it to others? Why or why not?) Then support your opinion with at least three details. (3-5 sentences)
 - Collect 5 physical objects that are relevant to the plot of the story (**that will fit into your bag**) to help you explain the book when you give your presentation in class.
- VI. **Create a diary or blog**- Assume the identity of one of the characters and select different scenes from the book to create a diary entry or blog that represents that part. Complete between 5-10 entries

These assignments will be factored into student's first quarter grade.

Mayport Coastal Sciences Middle School

Summer Reading 2019

Students will need to read two novels over the break. Below is a suggested list by grade and Lexile level. Students may read any novel of their choice as long as it falls within their Lexile range. Please reference lexile.com to find Lexile levels for most novels.
