## Important Testing Information:

If your student leaves campus before completing a test session (e.g., for lunch, an appointment, illness), he or she will not be allowed to return to that test session. If your student does not feel well on the day of testing, it may be best for him or her to wait and be tested on a make-up day. Please remember not to schedule appointments on testing days.

Students are not permitted to have any electronic devices, including, but not limited to, cell phones, smartphones, and smartwatches, at any time during testing or during breaks (e.g., restroom), even if the devices are turned off or students do not use them. If your student is found with an electronic device, his or her test will be invalidated.
