

# MAKE TODAY BETTER

( MTB)

**MTB** is teaming up with our **TLAM FAMILY** and our **COMMUNITY** for our **2021-2022** school year **Civics “Common Good”** project. We are raising **funds** and raising the roof to support **OUR 6<sup>TH</sup> GRADERS**. More information will be forth coming soon. So, get ready!

***MTB** is a program designed for students by students in the 6<sup>th</sup> and 7<sup>th</sup> grades. With teacher led activities, we will come together during lunch hours to support each other as we talk about our “possibilities, problems and/or issues.” These may include, but are not limited: ***bullying, thoughts of depression, anxiety, insecurity, respecting each other, loss of a loved ones, navigating through middle school and how to succeed.****

***MTB** is here to lend additional developmental support throughout the year. This program will take place every other Thursday during lunch in the Guidance Counselor’s Office or a designated classroom. We hope you will come and join us, our **Counselor: Mr. Curry, AP: Mr. Copeland and teacher sponsor: Mrs. Armour-McBride.***

Students, if you feel you need help or support come and join us. You must ask your 3<sup>rd</sup> period teacher in advance to use your **MTB 5-minute early lunch pass** in order to participate. If you plan to eat, you must get your lunch from the Café first. Please present your pass and then head directly to the designated classroom. **THANKS,**

LOVE THE GROUP OF MTB.
