

At Stanton College Preparatory School, we greatly value our education, but realize how important being a part of high school athletics is in developing the total student-athlete. It is our goal to develop our student-athletes by providing quality coaching of techniques, skills, strategies, and life skills, to give them the best high school athletic experience we can.

Our core values are:

Respect, Integrity, Sportsmanship, Team

The athletic program exists to encourage students to achieve their maximum potential and to represent their school. Student-athletes not only represent themselves, but also the student body, the faculty, their families, and the community. Participation in the program is a privilege.

Athletic Clearance

In order to try out for any sport, you must register through the athletic clearance which can be found on the www.stantonathletics.com website. When you get to the website, you'll find directions on how to complete the clearances. Each student-athlete must complete a sports physical (EL2) from a medical doctor, as well as complete the EL3 consent form, verification of health insurance, and the sportsmanship contract. This is all to be done electronically. Absolutely no paperwork is to be turned in to any person or office to be cleared prior to the season beginning. If you have more questions about submitting documents, please contact athletic trainer, Lacey Bracken (backenl@duvalschools.org).

Eligibility Requirements

All freshmen are considered eligible to play until the first semester grades are published.

For all other grading periods, a student must achieve an unweighted cumulative 2.0 GPA in the previous semester. Student-athletes must be in attendance at least half of the school day to be able to participate in activities that day. Students who use alcohol, tobacco, or other drugs, have behavior or attendance issues, are convicted of illegal activities or violate other training rules as set forth by their coach or sponsor may lose eligibility.

All student-athletes must complete ALL of the Athletic Clearances prior to participating in any conditioning, workout, tryout, practice, scrimmage, or game.

Sports by Season

Fall – Cross Country, Football, Golf, Swim and Dive, Volleyball, and Bowling (girls only)

Winter – Basketball, Cheerleading, Soccer, Wrestling, Slow-pitch Softball, and Weightlifting (girls only)

Spring – Flag Football (girls only), Tennis, Track and Field, Fast-pitch Softball, Baseball, and Lacrosse (varsity only)

Students who plan to participate in collegiate athletics should consult their guidance counselor for information on course selections that will allow them to be eligible at the next level.
