

**Ms. Sarah Straus'**

**Art Kit supply list for 2020-2021 school year**

- pencil
- eraser
- ruler
- glue bottle or glue stick
- scissors
- paintbrush
- set of watercolors
- sketchbook (any size)
- a box of crayons
- a box of markers
- a box of colored pencils

\*If you can't get all 3 of those, you can get whichever your child prefers of the crayons, markers, or colored pencils. Whatever they have is what they will use. \*

My hope is that each student will have an art kit that they do not share and that they keep clean. This will minimize sanitation time as I go to each class to teach art. This kit will stay with them in their classroom.

If any of these items are unattainable, please reach out to me and I will help in anyway I can.
