

Supply List for GATE Classes

2021- 2022 School Year

All of your child's work from this year was sent home during the last week of GATE classes, along with a list of their personal supplies and the condition they are in. Please review that list of personal supplies before the start of school so you know what items need replacing.

The items listed below will be kept in your child's binder and for their personal use only.

Each student needs the following items for their personal use:

- **Sturdy 1 ½ - 2 inch binder** (no zippers/trapper keepers) please label the spine with child's first name (not larger than 2", big binders pose a shelf space problem)
- **Five tabbed dividers** (Dividers that have a flat surface, not the type that have paper inserts because we pre-print labels for the dividers) Avery 23076 work very well; they are durable to last and the large tabs work well for our class labels. They are available on amazon, six packs for \$12. If there is interest, we can consider ordering some and have them available for \$2, the cost.
- **3 ring pencil pouch**
- Hand held **pencil sharpener** with cover to catch shavings
- One pack of **12 colored pencils**
- **Pair of earbuds** for personal use. If your child had headphones last year, we kept them over the summer to reuse this year. If they had earbuds, they were sent home in their binders.
- **Scissors**
- Composition book ONLY if your regular class does not utilize a planner or other home school connection

Class supplies needed, based on child's grade level in 2020-2021 school year

| | Kindergarteners | First Graders | Second Graders | Third Graders | Fourth Graders | Fifth Graders |

The following items would be helpful to have in our classroom. If you are able to purchase any of these items in addition to or in lieu of some of your child's "grade list" items, it would be appreciated.

- Tissues (the square shaped boxes are preferred)
- Replacement Molekule filter (or monetary donation to offset cost)
- Tall, plastic magazine holders (for vertical storage of papers)

*Gifted enrichment classes are scheduled to start the week of August 16th.
