

There's No Place Like BESOTA!

Greetings Dolphin Family!

It is with great enthusiasm and excitement that I write this letter as the **Assistant Principal of Brentwood Elementary School of the Arts**. I have worked alongside the best Faculty and Staff in the State of Florida for the past 3 years and it continues to bring me joy to know that my team is “A”mazing. We are continuously strategizing to provide intentional engaging and meaningful experiences for every student learner, every day! I am confident that we will continue to provide our students with an enriching school experience.

We understand that the elementary school years are important and critical for students. What happens during these years have a lasting impression on their growth and development. My goal, as Assistant Principal and instructional leader, is to ensure that our students receive the best academic instruction in a safe and respectable learning environment which will be evidenced by 100% of our students making one year’s plus growth. Ultimately, ensuring that our school will continue to be a place where our students will learn and grow academically and socially.

There is truly No Place like BESOTA where we are Perfecting our P.A.T.H to Proficiency. We look forward to partnering with our families for increased productivity, accountability with truth and heart as we lead the students of our future. Feel free to stop in and say hello, as my door is always open. If there is anything I can assist you with, please let me know.

Respectfully,

Mrs. Natalya Richie-Graham, 2018-2019 Assistant Principal of the Year (Turnaround Region)
