

# Welcome to the 2019 – 2020 School Year

Greetings Dolphin Families,

My name is Anne Tomko, I am the Math Coach at Brentwood Elementary School. I'm a product of the Duval County Public Schools and a proud graduate of Andrew Jackson High School. I earned my Bachelor of Science degree in Elementary Education from the University of North Florida.

I have 25+ years of mathematical teaching experience at Brentwood Elementary. I have a passion for teaching math. I enjoy helping students gain mathematical knowledge that will help them further their educational and life experiences.

I am proud of the tremendous success our school has made in the past year. I know our students can rise to even greater achievements for the 2019-2020 school year.

I want all students to earn their spot on the Emerald City Stage as we work towards perfecting our path to proficiency.

*"Practice isn't the thing you do once your good. It's the thing you do that makes you good." – Malcolm Gladwell*
