

Welcome 2019 – 2020 School Year!

Greetings Families & Visitors,

For the last 3 years, I have been the proud principal of **Brentwood Elementary School of Arts**. Being the instructional leader of such an amazing community of staff, students, and parents has been one of the best experiences of my life and career! We have grown together professionally, academically and socially. Our results speak to the level of commitment that each dolphin family member shares. See for yourself:

We are a “C” school headed for the B as our 2019-2020 Goal!

	Reading Proficiency	Math Proficiency
Upon Arriving in 2016	26%	39%
Our recent 2018-2019	42%	71%

These results are record breaking! At the close of the 2018-2019 school year, Brentwood has the highest gains of growing proficient students in both English Language Arts and Mathematics in Duval County Public Schools. We ranked as the 4th highest gains in the state of Florida out of 2,088 schools.

We appreciate each of our parents for sharing and trusting us with their precious children to teach and develop each school year. Once our students come to Brentwood Elementary School of the Arts it is hard to leave; because **THERE IS NO PLACE LIKE BESOTA!**

If you currently looking for a school to entrust your students to, we are worth the consideration. Take a moment to view all areas of our website for more information and pictures that share just a snapshot of the experiences are students share.

We hope to see you @ BESOTA the Emerald City's Door is ALWAYS OPEN!
