Hi! I'm Mrs. Carter. I have been a teacher for 25 years. I earned my Master’s Degree in Elementary Education with a focus on beginning reading and writing. I have taught the following grades:

★ 1st grade = 16 years
★ 2nd grade = 4 and a half years
★ 4th grade = 3 and a half years

This helps me to know what goals your child will need to meet in the following year and in years ahead.

I have been married for 14 years. My husband and I like to work in our yard, look for sharks’ teeth, and take care of our pets. Most of our pets are disabled, so it’s a full time job.
SAFETY

★ We are implementing a combination of social distancing and use of face coverings to ensure safety of the students and staff.

★ Safety procedures for students at TJ:
  ✭ Temperature checks
  ✭ Wearing face coverings
  ✭ Hand washing or sanitizing upon entering class, prior to transitions, and returning to class
  ✭ Separating student desks with shield in grades 3-5
Face Coverings

★ Students will need to wear face coverings when...

☆ Boarding the bus
☆ Entering the building
☆ Being dismissed from school
☆ In the classroom
☆ Transitioning in the hallways
☆ In the Cafeteria line
The district will provide students with one face covering that will be kept at school.

- K-5 students will receive a face mask.
- K-2 students will receive a face shield.

We suggest that parents provide students with a 5-day supply to wear during the week.

- Masks must provide coverage of student’s mouth and nose.
- The district-provided mask will be kept in the classroom as a back-up.
Bus Transportation

★ Parents **MUST** sign into FOCUS and register their children to ride the bus.

Morning Arrival Procedures

★ Students are allowed on campus no earlier than 8:00, unless they are enrolled in morning Extended Day, which begins at 7:00.
★ Parents drop off their children at the carport (not the bus loading zone) from 8:00-8:25. After that time they must drop them off at the front office.
★ Students in grades K, 1, 3, 4, and 5 will sit in the hallways in front of their classrooms, spaced apart and wearing masks. Students in grade 2 will sit in the cafeteria, spaced apart and wearing masks. Students whose classrooms are portables will sit in the hallways with their grade levels.
Car rider students will have temperatures checked prior to getting out of the car. Please have them sit next to a window and put on a mask prior to temperature check. If a student has a temperature of 100.4 or greater, he/she will return home with the parent.

Bus rider students will have temperatures checked as they get off the bus. If a student has a temperature of 100.4 or greater, he/she will be taken to the isolation room and the parent will be contacted for pick-up. It is extremely critical that parent contact information is accurate at that parents are available in case pick-up is needed.
School is dismissed at 3:00. Students may only be on campus after 3:10 if they are enrolled in an afternoon club or Extended Day. (There are no clubs or after-school activities at this time.)

Driving parents pick up their children from the carport only. If due to an emergency parents arrive after 3:10, they must pick them up at the front office.

Carport students will sit spaced as far apart as possible and will wear masks. Grades 4-5 will sit outside and grades K-3 will sit in nearby hallways.
On the first day of school, parents will have to show identification to pick-up their children from carport. Parents should be prepared to do this until the carport staff is familiar with them. The carport staff will give parents a sign to display every day while picking up their children at carport. We ask that the parent attach the sign to a pants hanger (with two clips) and hang it on the mirror. If there is a change in driver, the parent/guardian will need to provide written notification no later than 2:15 (by note, student agenda, or calling the main office). If the replacement driver is unfamiliar to the carport staff, that person will be asked to show identification. If the change in driver is not verified, the driver will be directed to the main office to resolve the issue.
Bus students will report to buses when they hear their bus called. They will wear masks while waiting and when boarding/riding the bus.

Bus students in grades K-1 will sit in the front hallway, spaced as far apart as possible, and will wear masks. Grades 2-5 will wait in their classrooms and will wear masks.

Walkers will be dismissed at 3:00 and will wear masks until they have left campus.
Parents may now register for Extended Day online only at www.duvalschools.org/extendedday. The monthly cost is still $52 for the morning and $100 for the afternoon.
Knowing How Students Go Home

★ Please communicate to the teacher how your child will go home the first day and on a regular basis. Teachers will need to tag students to identify whether they are car riders, bus riders, walkers, or Extended Day students.

★ Bus riders will have to be registered in Focus to be allowed to ride. Parents should do that immediately.

★ Kindergarten parents will complete a specific dismissal form. Kindergarten bus riders will not be left at the bus stop if no one is there to meet them after school.
★ As of now, all students will participate in virtual learning on Early Release Days.*

★ Students will NOT report to the school.

*Subject to change by DCPS

Please let me know how your child will get home on the first day through one of the methods above.
Volunteers

Thomas Jefferson is currently unable to allow any volunteers or parents in the building to ensure the safety of our students and staff. We still love our volunteers!

★ District Screening Requirements - Please visit www.duvalschools.org and click on the Volunteer link under the Parent tab. Clearance is good for 2 years and required to attend field trips.

★ School Volunteer Orientation - Required to volunteer at TJ. It will be offered virtually this year. Details will be coming soon.
Field Trips

Field trips are suspended until further notice.

★ We will keep students and parents updated as we receive information from the district.

★ Younger siblings, students from other grade levels and students from other schools MAY NOT attend field trips.

★ Grade levels will inform parents if class shirts are being ordered this year.
