Welcome to Ms. Palmer’s class! This is my tenth-year teaching first grade and I am very excited to begin the 2020-2021 year.

My hobbies are Sunday drives and photographing historical buildings.
The purpose of Duval HomeRoom is to provide a virtual option for families who have chosen not to attend the brick and mortar school at this time.

DHR students may return to the brick and mortar school at the end of any quarter (nine week period).
The DHR school day will mirror the brick and mortar school day. It will consist of academic instruction, a lunch period, and resource classes.
Parents will pick-up instructional materials at TJ on Monday, August 17th, from 1:00-2:00, at the carport. Students who enrolled by the July 31st deadline and expressed the need for hotspots will receive those as well. Students’ names are on the hotspots.

Go to: oneview.duvalschools.org and log in with your Student Id and Password (the same ones you use to login to the computers at school).

Once you’re logged in, you’ll want to click on the “waffle” in the upper left corner. This opens up to all of the Microsoft Apps you have available to you through DCPS. The one you’re going to need for Duval HomeRoom is Teams. Click on Teams.

This is going to open up to the Teams that have been set up for each of your classes. The names might appear in two different ways:

- A name your teacher gave the Team.
- Or, the way the class is listed in Focus.

To open up to the class, you simply click on it.
For further instructions with pictures, you should read the Student Guide for Microsoft Teams.

**Extra Tips and Tricks:**

- Download the Teams app on your phone and have access to all your classes there. This will also allow you to get notifications when you have a new assignment available.

- Remember, your DCPS email address is your Student ID # followed by @students.duvalschools.org (Ex. S1234567@students.duvalschools.org)
