Safety procedures for students at TJ:

- Temperature checks
- Wearing face coverings (Masks)
- Hand washing or sanitizing upon entering class, prior to transitions, and returning to class

Face Coverings

★ Students will need to wear face coverings when...

✩ Boarding the bus
✩ Entering the building
✩ Being dismissed from school
✩ In the classroom

✩ There will be consequences for refusing to wear masks correctly.
The district will provide students with one face covering that will be kept at school.

☆ K-5 students will receive a face mask.
☆ K-2 students will receive a face shield.

We suggest that parents provide students with a 5-day supply to wear during the week.
☆ Masks must provide coverage of student’s mouth and nose.
☆ The district-provided mask will be kept in the classroom as a back-up.
Bus Transportation

★ Parents **MUST** sign into FOCUS and register their children to ride the bus.

★ **After August 4, parents can sign back into FOCUS to see the specific bus number, bus stop, and bus time.**
Parents will need the following apps on phone or computer to effectively communicate throughout the year:

Morning Arrival Procedures

★ Students are allowed on campus no earlier than 8:00, unless they are enrolled in morning Extended Day, which begins at 7:00.

★ Parents drop off their children at the carport (not the bus loading zone) from 8:00-8:25. After that time they must drop them off at the front office.

★ Students in grades K, 1, 3, 4, and 5 will sit in the hallways in front of their classrooms, spaced apart and wearing masks. Students in grade 2 will sit in the cafeteria, spaced apart and wearing masks. Students whose classrooms are portables will sit in the hallways with their grade levels.
Temperature Checks

- Car rider students will have temperatures checked prior to getting out of the car. Please have them sit next to a window and put on a mask prior to temperature check. If a student has a temperature of 100.4 or greater, he/she will return home with the parent.

- Bus rider students will have temperatures checked as they get off the bus. If a student has a temperature of 100.4 or greater, he/she will be taken to the isolation room and the parent will be contacted for pick-up. It is extremely critical that parent contact information is accurate at that parents are available in case pick-up is needed.
School is dismissed at 3:00. Students may only be on campus after 3:10 if they are enrolled in an afternoon club or Extended Day. (There are no clubs or after-school activities at this time.)

Driving parents pick up their children from the carport only. If due to an emergency parents arrive after 3:10, they must pick them up at the front office.

Carport students will sit spaced as far apart as possible and will wear masks. Grades 4-5 will sit outside and grades K-3 will sit in nearby hallways.
On the first day of school, parents will have to show identification to pick-up their children from carport. Parents should be prepared to do this until the carport staff is familiar with them. The carport staff will give parents a sign to display every day while picking up their children at carport. We ask that the parent attach the sign to a pants hanger (with two clips) and hang it on the mirror. If there is a change in driver, the parent/guardian will need to provide written notification no later than 2:15 (by note, student agenda, or calling the main office). If the replacement driver is unfamiliar to the carport staff, that person will be asked to show identification. If the change in driver is not verified, the driver will be directed to the main office to resolve the issue.
Afternoon Bus/Walker Dismissal

★ Bus students will report to buses when they hear their bus called. They will wear masks while waiting and when boarding/riding the bus.

★ Bus students in grades K-1 will sit in the front hallway, spaced as far apart as possible, and will wear masks. Grades 2-5 will wait in their classrooms and will wear masks.

★ Walkers will be dismissed at 3:00 and will wear masks until they have left campus.
★ Parents may now register for Extended Day online only at www.duvalschools.org/extendedday. The monthly cost is still $52 for the morning and $100 for the afternoon.
Knowing How Students Go Home

★ Please communicate to the teacher how your child will go home the first day and on a regular basis. Teachers will need to tag students to identify whether they are car riders, bus riders, walkers, or Extended Day students.

★ Bus riders will have to be registered in Focus to be allowed to ride. Parents should do that immediately.

★ Kindergarten parents will complete a specific dismissal form. Kindergarten bus riders will not be left at the bus stop if no one is there to meet them after school.
★ As of now, all students will participate in virtual learning on Early Release Days.*

★ Students will NOT report to the school.
