

Online Course Requirement
(AP-Honors Students Only)

Beginning with students entering grade 9 in the 2011-2012 school year, at least one course within the 24 credits required in this subsection Ch. 2011-137 LAWS OF FLORIDA must be completed through online learning. However, an online High School Level course taken during grades 6 through 8 fulfills this requirement. This requirement shall be met through an online course offered by the Florida Virtual School or an online dual enrollment course.

- Students completing the IB Program of Study are exempt from this requirement.
- Students may **not** substitute coursework required by their program of study with a virtual course. They may, however, use online learning as an enrichment or remediation opportunity.

The following applies to the length of the required course or the credit value:

- For courses that contain two components of a half credit each; for example: Marine Science that has two half credit components, both components must be completed to fulfill the Online Learning requirement.
- Courses that are a half credit by nature, e.g. Driver's Ed, Social Media and Parenting Skills, fulfill the Online Learning requirement.
- Digital Information Technology

To create an account:

- Visit www.flvs.net sign up for a new account under the Flex program.
- Click on the enroll button > flex K-12 > enroll 6-12 > new student > Florida > Duval County > Public/Charter Student > Continue > this is where students can filter what course they want.
- Once students choose their course they will be prompted to create an account.
- Once an account has been created a message will appear in red stating that the course is awaiting for approval from the counselor.
