

## ACHS 2020-2021 Weekly Update #24

Atlantic Coast High School ACHS <noreply@duvalschools.org>  
Sun 2/28/2021 6:07 PM

To: Atlantic Coast High School Recipients <recipients@duvalschools.parentlink.net>

Hello Stingray Nation!

As we report new cases of COVID-19 to the Department of Health, these may result in further contact tracing. If your student is affected, you will be notified from the Department of Health. If you are experiencing COVID symptoms, please stay home and call the school for further clarification.

Remember that students should be bringing their laptops to school daily, charged and ready for instruction.

The ASVAB test is on Monday, March 1st. Please check your student email if you signed up to participate.

Duval Homeroom students who are coming on campus for PMA testing need to remember to bring their laptops and to be dropped off in the bus zone at 7:30. If you are driving, you must park in the student parking lot, enter the student doors by the gym at 7:30, and you'll be escorted across the campus to the bus zone for check in.

Be sure to check out the Morning Rays for updates on Prom, Grad Bash, and other student events. You can watch the Morning Rays on AC Student Central on Teams and via the link found in the Rays of Information bar of the ACHS website.

Check out our parent newsletter for more information at [www.smore.com/29d4b](http://www.smore.com/29d4b).

As always, if you have any feedback or input on our work here at Atlantic Coast please reach out to the school.
