Hello Stingray Nation!

We hope everyone has had a safe and relaxing Spring Break!

Remember that we will continue to keep you updated as we report new cases of COVID-19 to the Department of Health. These may result in further contact tracing, if your student is affected, you will be notified from the Department of Health. Please stay home and call the school for further clarification if you are experiencing COVID symptoms.

Duval HomeRoom students who have not completed their Course Request document for the 2021/2022 school year should do so as soon as possible. The Course Request document can be found in your email, Teams, or on the ACHS website. There are PowerPoints and tutorial videos available in Teams, as well. If you do not complete a Course Request document, the counselors will choose your courses for you and you will lose schedule change rights next year.

Registration for the summer sessions of Drivers Education begins this week. Registration is after school only on Mondays, Tuesdays, and Thursdays from after school only from 3 to 5:30pm. Students must have a restricted license or a learners permit by the time the class starts. The class costs \$160 and only cash will be accepted. Registration must be completed in person. For more information, visit our school's website at www.duvalschools.org/achs

Looking to add some AC gear to your collection? Check out the new AC gear on sale on Mondays and Fridays during all lunches and after school in the gym concession stand.

Be sure to check out the Morning Rays for updates on student events. You can watch the Morning Rays on AC Student Central on Teams, Instagram, and via the link found in the Rays of Information bar of the ACHS website.

As always, if you have any feedback or input on our work here at Atlantic Coast please reach out to the school.

You are receiving this email because of your relationship with Atlantic Coast High School.
