

Good evening, Stingrays!

I am calling to remind us all that we will be continuing with our state FSA Testing this week. Wednesday and Thursday, we will be completing our FSA Reading sessions for our 9th 10th and 11th graders. Please make sure that your laptop is charged and ready for testing in the morning. Also, please bring headphones that plug in to your laptop. Bluetooth headphones unfortunately aren't able to be used.

Our 11th graders that aren't in testing are preparing for next week's US History EOC or AP Exams.

Our campus students should report directly to their testing location in the morning. Our Duval HomeRoom students are to be dropped off on the Bus Zone and proceed to the Auditorium for check in. DHR students must report BEFORE 7:30. Testing will conclude around 10am and our DHR students will return to the Bus Zone for pickup.

On Wednesday, we will attend our 5th and 6th period after our shutdown morning.

On Thursday, we will attend 1st and 7th periods.

You have been working hard all year so let's show them what we know!

Miss Rachel Menard, M.Ed.
Testing Coordinator
Atlantic Coast High School
