

## Duval County Public Schools

### VPK Virtual Option

Duval VPK Virtual Option will begin on Monday, August 24, 2020 and conclude on Thursday, December 17, 2020. The classes will be offered from either 8:30 am – 11:30 am or 12:00 pm – 3:00 pm for 220 instructional hours. Seats are limited. Students will be assigned to a morning or afternoon class on a first come first served basis. Parents are required to provide technology, internet access and must be available to assist with technology navigation during class.

Once Duval VPK Virtual concludes in December, students will return to their currently enrolled brick and mortar school. Students who withdrew from the brick and mortar setting prior to August 20th can re-enroll in a brick and mortar class based upon availability.
