

# Student and Teacher Login Instructions for *Duval County Public Schools Blended Learning Solutions*

Open the Blended Learning Solutions folder on your desktop.

The Blended Learning folder contains short cuts to access the programs listed. Click on the short cut for the blended learning solution of your choice.

If prompted to log in with the DCPS Login screen shown above, use your DCPS username and password to log in. If the DCPS log in screen does not appear, use the username/password provided for that program.
