THE MAYORS YOUTH AT WORK

ABOUT THE PROGRAM / STUDENTS
The Mayor’s Youth At Work Partnership (MYAWP) provides eligible students work-related experiences that prepare them to succeed in employment. We partner with local businesses who employ and train students. Each student and employer will work with a Job Coach who will assist in the employment process, provide support, training and be a liaison between the student and employer.

15 Hours/ Week After School and on Weekends

ELIGIBILITY

INTRODUCING SCOIR
DCPS is rolling out a new system for students that is going to streamline career exploration, degree information, college visits, and college applications. Soon, students will be able to log on to their new SCOIR accounts to have one access to all of these things.

Parents can also have accounts to help assist their students with their post-secondary planning.

More information and invitations to join the platform coming to an email near you!
MHS School Counselors will be meeting with seniors in their English classes the week of Nov. 15 to review post-secondary plans as they relate to college. Attention Seniors who are planning on attending one of the 12 public state universities in Florida:

The State University Systems is the Board of Governors of all these academic institutions. They met this month to deliver information for you.

INTRODUCING HAZEL HEALTH

DCPS has a new telehealth initiative that has rolled out to all schools in the district. This new initiative currently offers free telehealth medical support for all students regardless of whether the student is covered under health insurance.

These services are currently only done at home. Soon, Hazel Health will also be rolling out mental health telehealth services.

Parents can complete their consent for services at my.hazel.co.

PROMOTION/RETENTION

When students are struggling, they will need to put forth more than the usual amount of effort in order to pass the class. To learn how your student can improve his/her grade, please contact the teacher. Teacher e-mails can be found in the Focus portal.

As parents, you can assist your student by:

1. Checking Focus (online grade portal) weekly to monitor your child’s progress in all of his/her classes. Click here to register.
2. Meeting with or e-mailing teacher(s) if you have specific concerns regarding your child’s grades.
3. Encouraging your child to complete all assignments on time and attend help sessions as needed.

The minimum credit requirements for promotion are as follows:

<table>
<thead>
<tr>
<th>9th graders:</th>
<th>10th graders:</th>
<th>11th graders:</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 credit of English or</td>
<td>2 credits of English</td>
<td>3 credits of English</td>
</tr>
<tr>
<td>1 credit of math</td>
<td>2 credits of math and/or</td>
<td>4 credits of math and/or</td>
</tr>
<tr>
<td>5 total credits</td>
<td>2 credits of science</td>
<td>4 credits of science</td>
</tr>
<tr>
<td>12 total credits</td>
<td>18 total credits AND</td>
<td>1.5 or higher GPA</td>
</tr>
</tbody>
</table>

Promotion each year does not guarantee graduation with the student’s class. Students must meet all 24 specific credit requirements, have a cumulative 2.0 GPA, pass all applicable State of Florida exams (10th Grade FSA and Algebra 1 EOC), and complete an on-line course for graduation.

- If a subject like math or English is not passed, you will take it again next school year along with the next level class. For example, if you fail English 1, you will take that next year along with English 2.
- GPAs get updated in June and January of every year. You need to make sure that you understand that GPA is important. An A=4 points, B=3 points; C=2 points and D=1 point (F is zero points)
- There is not a “summer school” – so please make sure you communicate with your teachers to make sure you are working hard and turning in all assignments.
