

## Directions for getting approval to present health related topics at Duval County Public Schools

Keys to a successful application:

1. Provide measurable objectives for your program – the CDC provides resources for writing objectives. (<http://www.cdc.gov/healthyyouth/tutorials/writinggoal/menu.htm>)
2. Provide a copy of your curriculum/content
3. Provide how your program aligns to Florida Education Standards - <http://www.cpalms.org/Public/>
4. Make sure you understand what is allowed to be presented in Duval County Public Schools: <http://www.duvalschools.org/Page/9864>
5. Provide evidence that the program you are presenting is going to achieve the objectives you have listed.
6. You must have a DCPS background check – free at <http://www.duvalschools.org/Page/7416>
