

We are proud to support our Military Students!

Thank you for choosing to be a part of Team Duval. With Naval Air Station Jacksonville and Naval Station Mayport in Duval County, we are home to hundreds of military families and look forward to helping your children thrive academically.

The district's Office of School Choice serves as the link between base commanders, military families, and our school. They will assist you with completing the initial enrollment process. Upon choosing to enroll here at Duncan U. Fletcher High School, our military academic staff will support you with completing your school-based registration process.

For transitional enrollment support, please reach out to our [school's Military and Family Life Counselor \(MFLC\), Farkhanda Khan](#), or our [School Military Point of Contact \(MPOC\), K. Riley](#), for school transitional planning and support. They can be reached by email at khanf@MagellanFederal.com or archonk1@duvalschools.org to schedule your family conference.

Academic Planning for Military Families
