NEEDS ASSESSMENT

The Needs Assessment is the foundation of the Parent and Family Engagement plan. That way decisions are not arbitrary but data-driven and purposeful.

When a school receives Title I, Part A funds, it is responsible for building the capacity of each parent to improve their child's academic achievement. This includes activities and strategies for parents to understand challenging State academic standards; State and local assessments; how to monitor their child's progress and work; literacy training; how to use technology; and other strategies of how parents can assist their child with the learning process. All funds expended under this section should align to this section and to achieving the goals in the Title I Schoolwide plan by engaging parents and families. [ESEA Section 1116 (e)]

The directions to the Family Engagement Resource Room is on the main bulletin board as you walk into the building. All visitors must sign in at the office and the office staff is trained to support parents in going into the room, and assisting them with the computers.
