Teamwork Makes the Dreamwork!
Be the Change You Wish to See in the Word.

Riverside High School (RHS) Parent Teacher Student Association (PTSA) would like you to join our growing family. Our goal is to create a positive and safe school environment for our students. Whether you are just entering the doors of our school for the first time or returning this year, we have resources and information on how to make your high school experience as successful as possible. Our membership is composed of school faculty, community partners, students and parents.

Membership Benefits

One of the main goals of the RHS PTSA is to assist with the connection and communication between the school and your home. We do this by providing:

- Fun and educational activities for students and teachers
- Meetings on topics of interest (e.g., school improvement planning, graduation requirements, college planning)
- Parent workshops on school-related and non-school related matters
- Email and Facebook updates
- Opportunities for parents to volunteer at school-sponsored events

Another fabulous benefit for students who join PTSA is that they can earn community service hours by attending monthly meetings! Students who attend with their parents/guardians can earn double the community service hours!

Membership Dues and Committees

Dues for PTSA membership are \$5.00 for students, adults and community organizations. Please fill out a separate application for each person. Company checks, money orders and cash are the only form of accepted payments. Once you are a member, we would love for you to consider serving in a leadership role or volunteering for one of our subcommittees: fundraising, membership drive and event planning.
