Dr. Saryn Hatcher-Principal
Mr. Frank Ancayan-Athletic Director

Dear Alumni, Businesses, Parents, Friends:

Sandalwood High School is on a mission to provide the Greater Arlington Area with a community school that provides high quality athletic programs along with world class education. With continual business, alumni, and parental support, we are providing Sandalwood students with the necessities to become successful career and college ready community members.

Our Athletic Department is in need of patrons to support our programs in order to equitably provide transportation, equipment, uniforms, and banquet awards to all teams. Ongoing support has always been a vital component in the success, pride, and tradition of our Sandalwood Saints athletic programs. We are extremely proud of our community contributors and understand that our growth as a school corresponds with growth within the community and its businesses. Sandalwood wants to be that bridge that connects our school and community partners with Duval County and surrounding areas.

We look forward to establishing a partnership with local businesses, alumni, parents and friends through banner advertisements or donations during the 2022- 2023 season.

Sincerely,

Dr. Saryn Hatcher, Principal

Frank Ancayan, Athletic Director
