

Mandarin Middle Extended Day

Here is the web link to register your child for Extended Day Enrichment, www.duvalschools.org/extendedday.

***** Just a reminder, only families who are choosing the brick and mortar, at-school option will be eligible to attend and participate in Extended Day Enrichment.**

Some key things to keep in mind:

For the 2020-2021 School Year Enrollment, the A.M program (7 a.m. to 9 a.m.) is \$60.00 and the P.M. program (4:25 p.m. to 6 p.m.) is \$100.00 or \$160.00 for both programs.

Note: The first payment will be different per grade level, as well as the number of days allowed for brick and mortar attendance. There will be a \$2.50 convenience fee applied to the processing of online payments when your registered student(s) is picked up for enrollment. No cash or checks will be accepted.

Note: Just because you register your student(s), it does not mean they are automatically enrolled. It is a process that goes through the Community Ed office and then sent to each School Director, according to the registered date and availability for placement at the school. Once called for placement, you will be able to pay online for the program(s) you choose. If you do not have a Visa or MasterCard to make a payment, you will need to get a prepaid card to make your payments online.

Please make sure you register for a School Cash online account; this is how you will pay for Extended Day. Use this link to sign up, <https://DCP.schoolcashionline.com/>.

Please read all the information carefully when registering. For safety reasons, no parents/guardians will be allowed in the building. Mandarin Middle Check-In and Check-Out will take place in the Car Rider's Circle on the side of the building. Signs will be posted, and more details will follow upon the opening of school.

Sincerely,

LauRetha Hughes
