

HIGH SCHOOL COURSE RECOMMENDATION SHEET

Welcome to all of our new and returning students to the start of great things to come for Duval Virtual. Our curriculum providers for next year will be Edgenuity and Florida Virtual School. It is time for us to work together to choose your courses for next year. Our school counselor has reviewed your prior courses, academic requirements, and previous FCAT scores to recommend courses for you.

All full-time DVIA students will be scheduled with a minimum of SIX credits per year.

1. Please review the recommendations below to ensure that you are in agreement with the suggested courses.
2. If you are in agreement with everything on your schedule, please sign and submit before you leave orientation. If there are any schedule concerns or schedule change requests on this form, write them at the bottom the sign and submit before you leave.
3. Choose electives where directed. Make sure to note courses marked with an * are only a semester in duration.
4. Create your virtual education accounts with Edgenuity and/or Florida Virtual School. Beginning Monday, August 11th, check our website at www.duvalschools.org/dvia for directions to create these accounts.
5. Select your courses with your course recommendation guide. Standard or advanced course designations are decided by FCAT scores, previous course grades, and parent/student requests. Standard and advanced levels will be housed in the same academic shell in Edgenuity. DVIA teachers will inform advanced students of the additional requirements expected of them.
6. Select your electives if your schedule permits. All available electives will be located in the learning platforms of Edgenuity and FLVS for you to choose.
7. ALL STUDENTS have the option to add Spanish as a 7th period course for High School credit to count in high school GPA. If you want this option, choose Spanish in your learning platform.

State mandated courses include Intensive Reading/Math. Placement in intensive sections are determined by FCAT scores and cannot be waived. Intensive Reading: Required for all students scoring 1 or 2 on FCAT Reading.

Your personalized course recommendations are listed on the following pages. You will need to register for an account and request courses as directed above.
