

MESSAGE FROM MRS. DUNBAR

NVE Happenings and Updates

Fourth and fifth grades just completed the 2018 FSA Writing Assessment. Students have been working hard preparing for this assessment. I am so amazed at the number of student teachers we have. It was heartwarming to see fifth graders leading and conferencing with fourth grade students on writing strategies and techniques.

Spring is here! With the change of weather, there is a

potential to change in behaviors as well. Parents please review school guidelines and expectations with your children. We want every child in school everyday learning. However, we will not support behaviors that are distracting to the learning environment nor behaviors that leave others feeling unsafe in our school.

“At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents.”
